FIRM INTRODUCTION / OVERVIEW

ADA Consulting Group opened for business on May 1, 2000 providing Texas Department of Licensing & Regulation (TDLR) plan reviews and inspections as an independent contract provider (ICP). As the year progressed, steady business and client satisfaction resulted in the growth of the company. ADA Consulting Group became incorporated on October 12, 2000 as a new Texas corporation. On February 26, 2001, the firm became registered to provide engineering services in the State of Texas (TX Registration# F-3512).

ADA Consulting Group has performed over 3,500 TAS plan reviews and 3,000 inspections for our 800+ client list as well as performing a substantial number of existing condition facility TAS assessments. We have also performed civil engineering services on over 300 commercial and residential projects throughout the State of Texas specializing in 1 to 5 acre size commercial projects as well as IDZ high density and multi-family (quadplex) residential developments.
